B. Resolution for PSSI to open and manage a bank account for EMS Billing – Approve.

Chief Hitzemann advised Gary and Cindy Fredrick of PSSI are working on setting up a new bank account at their bank in our name where they will be authorized to receive and disburse funds on our behalf for EMS billing. C. Website Rebuild – Update.

Chief Hitzemann advised the District's new website is coming along nicely with May 1, 2016 still the anticipated launch date.

E. Video Conferencing Between Stations – Information (no report).

Chief Hitzemann advised a bad port was found and video conferencing is working again between stations. The rep has not been in with information on replacement equipment yet so there is no update to report on that.

F. Report on Visit from Illinois OSHA.

Chief Hitzemann advised Illinois OSHA was here on Friday to evaluate and inspect all 3 stations. We have submitted 37 requested documents so far on items that required information. Many items were litigated on site and Chief Hitzemann doesn't believe that there is anything that will cause any major concerns for the District.

G. Present New Policies for Approval:

Chief Hitzemann discussed and presented two new policies for review and approval: 1) #100 Fire Service Authority and 2) #103 Policy Manual.

After a brief discussion it was decided to table until wording in one of these policies was revised and additional policies that are being revised will be presented at the same time for approval in the near future.

Gary Fredrick entered the meeting at 5:30 p.m.

H. Meeting with State Representative Keith Wheeler on the new Bid Law – information.

Chief Hitzemann advised there are many unanswered questions on the new Bid Law, i.e., contract employees. When he attended the training session, he had a discussion with Attorney Shawn Flaherty and questioned if the District had to bid out contract employees in the future. PSSI has provided contract employees since 1992. If this contract were to be bid out, a new contract company could come in and bid much lower expecting to win the bid. Through our current contract, there are several 10, 15 and 20 year PSSI contract employees working for the District. The new contract company would not come in and bid their current salaries, they would bid at entry level position salaries.

There are a few options with one being Exemption 1: Contracts for services of individuals possessing a high degree of professional skill with the ability or the fitness of the individual plays an important part. Chief Hitzemann advised he feels the District contract employees fit this exemption.

Chief Hitzemann advised he and D/C Lindblom met with State Representative Keith Wheeler to discuss the new Bid Law. Keith agreed to take this bill back to the two sponsors of the bill to discuss and revise the new Bid Law by placing an Amendment to the law. Keith advised he would rather have them place an 11th Exemption to the law to include a situation such as ours to this law so that it doesn't have to be bid out. Shawn Flaherty has offered to draft the wording for Keith Wheeler to present.

I. Permission to run an "End of Fiscal Year" batch of bills, Checks to be dated April 30 but approved at May meeting.

It was Board consensus that checks can be run dated April 30, 2016 for the end of Fiscal year 2015/2016 with approval at the May 12, 2016 Trustee Meeting.
