

RESOLUTION NO. 2016-01

**A RESOLUTION ADOPTING THE PREVAILING WAGE RATES FOR
LABORERS, MECHANICS, AND OTHER WORKERS EMPLOYED ON PUBLIC
WORKS OF THE BRISTOL KENDALL FIRE PROTECTION DISTRICT,
KENDALL COUNTY, ILLINOIS**

WHEREAS, the State of Illinois has enacted "[a]n act regulating wages of laborers, mechanics, and other workers employed in any public works by the State, county, city, or any public body or any political subdivision or by anyone under contract for public works," approved June 26, 1941, as amended, being 820 ILCS 130 Section 0.01 through Section 12 (the "Act"); and

WHEREAS, the aforesaid Act calls for the Board of Trustees of the Bristol Kendall Fire Protection District (the "District") to investigate and ascertain the prevailing rate of wages as defined in the Act for laborers, mechanics, and other workers in the locality of the District employed in performing construction and demolition of public works for the District; and

WHEREAS, if the District does not investigate and ascertain the prevailing rate of wages during the month of June, then the prevailing rate of wages for the District shall be the rate as determined by the Illinois Department of Labor under Section 9 of the Act (820 ILCS 130/9); and

WHEREAS, the aforesaid Act further requires that the District make and keep, for a period of not less than five (5) years, certified payroll records of all laborers, mechanics, and other workers employed on particular project.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the Bristol Kendall Fire Protection District, Kendall County, Illinois as follows:

Section 1: To the extent and as required by "[a]n Act regulating wages of laborers, mechanics, and other workers employed in any public works by the State, county, city, or any public body or any political subdivision or by anyone under contract

for public works," approved June 26, 1941, as amended, the general prevailing rate of wages in this locality for laborers, mechanics, and other workers engaged in the construction of public works coming under the jurisdiction of this District is hereby ascertained to be the same as the prevailing rate of wages for construction work in Kendall County, as determined by the Department of Labor of the State of Illinois pursuant to Section 9 of the Act (820 ILCS 130/9).

Section 2: Due to the failure of IDOL to compile the prevailing rates for Kendall County as of the date of this Resolution, the determination of prevailing rates established by IDOL for July 2015 (the most recent determination of rates available) shall be adopted, a copy of that determination being attached hereto as **Exhibit A** and incorporated herein by reference. However, the most current prevailing wage determination of the county in which the work is performed shall be paid for those public works projects covered by the Act.

Section 3: Nothing herein contained shall be construed to apply the general prevailing rate of wages as herein ascertained to any work or employment except to the extent required by the Act.

Section 4: The Secretary of the Board of Trustees shall publicly post or keep available for inspection by any interested party in the main office of this District this determination of such prevailing rate of wages.

Section 5: The Secretary of the Board of Trustees shall mail a copy of this determination to any employer, and to any association of employers and to any person or association of employees who have filed, or file their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.

Section 6: The Secretary of the Board of Trustees shall promptly file a certified copy of this Resolution with the Illinois Department of Labor no later than July 15th.

Section 7: The Secretary of the Board of Trustees shall cause to be published in a newspaper of general circulation within the area a copy of the Notice of Determination substantially in the form of **Exhibit B** attached hereto and made a part hereof, and such publication shall constitute notice that the determination is effective and that this is the determination of this public body.

Section 8: This Resolution shall be in full force and effect upon its passage and approval as required by law.

ADOPTED this 9th day of June, 2016 by the following roll call vote:

Explanations

KENDALL COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

CERAMIC TILE FINISHER

The grouting, cleaning, and polishing of all classes of tile, whether for interior or exterior purposes, all burned, glazed or unglazed products; all composition materials, granite tiles, warning detectable tiles, cement tiles, epoxy composite materials, pavers, glass, mosaics, fiberglass, and all substitute materials, for tile made in tile-like units; all mixtures in tile like form of cement, metals, and other materials that are for and intended for use as a finished floor surface, stair treads, promenade roofs, walks, walls, ceilings, swimming pools, and all other places where tile is to form a finished interior or exterior. The mixing of all setting mortars including but not limited to thin-set mortars, epoxies, wall mud, and any other sand and cement mixtures or adhesives when used in the preparation, installation, repair, or maintenance of tile and/or similar materials. The handling and unloading of all sand, cement, lime, tile, fixtures, equipment, adhesives, or any other materials to be used in the preparation, installation, repair, or maintenance of tile and/or similar materials. Ceramic Tile Finishers shall fill all joints and voids regardless of method on all tile work, particularly and especially after installation of said tile work. Application of any and all protective coverings to all types of tile installations including, but not be limited to, all soap compounds, paper products, tapes, and all polyethylene coverings, plywood, masonite, cardboard, and any new type of products that may be used to protect tile installations, Blastrac equipment, and all floor scarifying equipment used in preparing floors to receive tile. The clean up and removal of all waste and materials. All demolition of existing tile floors and walls to be re-tiled.

COMMUNICATIONS TECHNICIAN

Construction, installation, maintenance and removal of telecommunication facilities (voice, sound, data and video), telephone, security, and data inside wire, interconnect, terminal equipment, central offices, PABX and equipment, micro waves, V-SAT, bypass, CATV, WAN (wide area network), LAN (local area networks), and ISDN (integrated system digital network), pulling of wire in raceways, but not the installation of raceways.

MARBLE FINISHER

Loading and unloading trucks, distribution of all materials (all stone, sand, etc.), stocking of floors with material, performing all

rigging for heavy work, the handling of all material that may be needed for the installation of such materials, building of scaffolding, polishing if needed, patching, waxing of material if damaged, pointing up, caulking, grouting and cleaning of marble, holding water on diamond or Carborundum blade or saw for setters cutting, use of tub saw or any other saw needed for preparation of material, drilling of holes for wires that anchor material set by setters, mixing up of molding plaster for installation of material, mixing up thin set for the installation of material, mixing up of sand to cement for the installation of material and such other work as may be required in helping a Marble Setter in the handling of all material in the erection or installation of interior marble, slate, travertine, art marble, serpentine, alborene stone, blue stone, granite and other stones (meaning as to stone any foreign or domestic materials as are specified and used in building interiors and exteriors and customarily known as stone in the trade), carrara, sanionyx, vitrolite and similar opaque glass and the laying of all marble tile, terrazzo tile, slate tile and precast tile, steps, risers treads, base, or any other materials that may be used as substitutes for any of the aforementioned materials and which are used on interior and exterior which are installed in a similar manner.

MATERIAL TESTER I: Hand coring and drilling for testing of materials; field inspection of uncured concrete and asphalt.

MATERIAL TESTER II: Field inspection of welds, structural steel, fireproofing, masonry, soil, facade, reinforcing steel, formwork, cured concrete, and concrete and asphalt batch plants; adjusting proportions of bituminous mixtures.

Other Classifications of Work:

For definitions of classifications not otherwise set out, the Department generally has on file such definitions which are available. If a task to be performed is not subject to one of the classifications of pay set out, the Department will upon being contacted state which neighboring county has such a classification and provide such rate, such rate being deemed to exist by reference in this document. If no neighboring county rate applies to the task, the Department shall undertake a special determination, such special determination being then deemed to have existed under this determination. If a project requires these, or any classification not listed, please contact IDOL at 217-782-1710 for wage rates or clarifications.
