

Bristol Kendall Fire Protection District

Smoke Detectors

"Be Alarmed!" is a fire safety education and smoke alarm installation program administered cooperatively between the Illinois Fire Safety Alliance (IFSA) and the Office of the Illinois State Fire Marshal (OSFM). The program distributes fire safety education materials and 10-year sealed battery smoke alarms to fire departments in the state of Illinois. .

Members of the Bristol Kendall Fire Department will install sealed

smoke detector(s) in your home at no cost to you. These smoke detectors are good for 10 years. To qualify for this program, you must live in the Bristol Kendall Fire Protection District,.

- Smoke alarms are the most effective early warning device there is, by having a working smoke alarm in your home, it reduced your chance of dying in a reported fire in half.
- Our goal is to make sure you have the protection of a smoke alarm. Because smoke alarms alone won't prevent every fire death our program includes educating you on how to create a home fire escape plan so you know what to do if the smoke alarm sounds.
