RE: Submittal of Inspections

To whom it may concern.

Bristol Kendall Fire Protection District is now using Mobile-Eyes, for all contractor inspection submittals, including but not limited to sprinkler inspections, fire alarm inspections, hood suppression inspections, fire pump inspections, etc.

Any person or business that services any fire suppression system must be licensed as a fire sprinkler contractor. If performing routine inspection or testing, then a fire sprinkler inspector is also required.

Go to the contractor Portal [Contractor Access Portal \(mobile-eyes.com\)](https://mobile-eyes.com), to set up an account. There will be a fee associated with each submitted inspection.

We will no longer accept emailed or mailed inspection reports after March 31st 2023.

If you have any questions do not hesitate to contact me.

Sincerely,

Randy Roberts
